Inspired by people I love

Mick Kalle Mickelborg (2015)

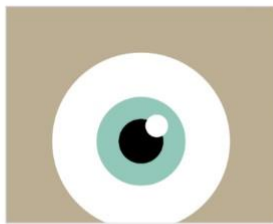

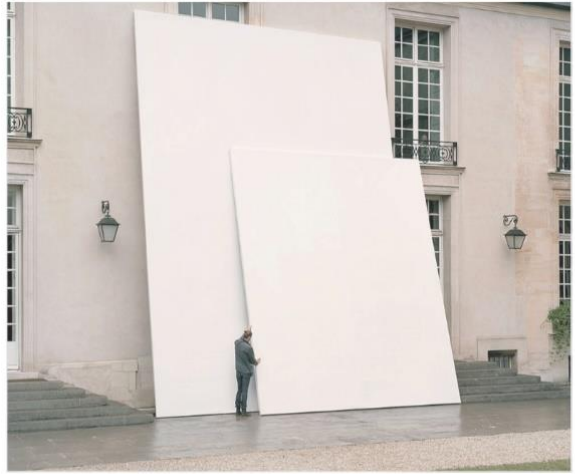

New Graphic Innovation

My theses at the University of Copenhagen is about Visual Culture and new Collage Aesthetic.  
How to shape future and awareness by design, to grow people's and company's knowledge, values and goals.

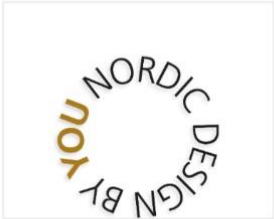

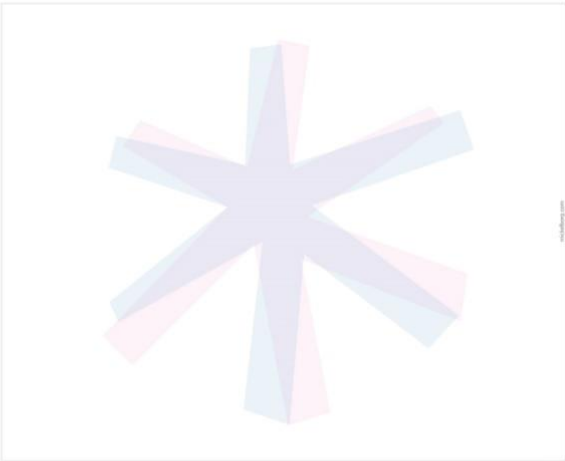

Our favorite Café and Workhome

I remember when I was a little girl, waiting at the end of our driveway. I had already missed the school bus, but I stood there anyway - envying the birds.

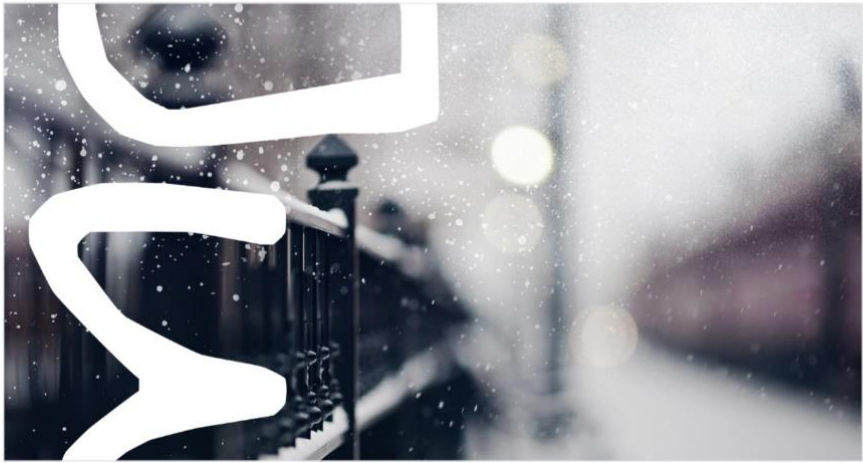

New Inspirational Elements

Providing a beautiful space between order and chaos
